| <b>Body</b> : Prayer manual highlights three relevant ways one can order their body during prayer. At least one involves hand placement and one involves eyes.  |  |  | 15                  |    |
| Mind and Heart: Prayer manual highlights three relevant ways one can order their heart and mind towards God during prayer. Disciple draws clear connection between the things we think about and the focus of prayer.   |  |  |                     | 15 |
| Modeled Prayer: Prayer manual outlines three types of prayer. Disciple clearly illustrates a model of one of these prayers in the manual, visually demonstrating an exemplar of orderliness and patience during prayer. |  |  |                     | 10 |
| Group Participation   |  |  |                     |    |
| Disciples are not vocalizing the prayer. Talking, moving, unfocused, and orientated in different directions. (0 pts)  | Disciples are quiet and still, but a few are oriented in different directions. Not all disciples are participating in the prayer.  (5 pts) | Disciples are all quiet and still. All are participating in the prayer and orientated in the proper direction.  (10 pts) |                     | 10 |
