

Teacher Directions

Day 1: Begin with a red piece of paper (the symbolic color for the Holy Spirit) and allow the disciple to choose a color for a hand print (Blue, Yellow, Red, Green). While paint is drying, allow disciples to cut yellow triangle beaks. When the paint has dried, encourage disciples to make another hand print right on top, this time in white.

Day 2: Instruct disciples to run glue up each finger (but not the thumb) and attach a white feather. Add a yellow triangle beak and one googly eye.
