

Name: \_\_\_\_\_

**Directions:** Examine the moral law that has been given you. Use the graphic organizer below to reflect on the impact these “guide posts” could have on a person’s life.

Things you should do	Things you should not do
What challenges might you encounter following these laws?	
What qualities would develop in a person who follows these laws? <i>What virtues would they grow in and develop?</i>	
Why do you think following these laws would allow someone to find greater happiness?
